### WET/DRY VACUUM CLEANER (ELECT) TC-VC 1930 SA Kit

- The automatic coupler socket is for connecting power tools. When they are in operation, the vacuum cleaner switches on automatically and then off after a follow-up time.
- The numerous accessories in the scope of delivery enable an immediate start of work: this package additionally includes 2 brushes & nozzles each specially for cleaning cars.
- The accessories supplied with the product can be attached and stowed on the base of the vacuum cleaner, so they are always ready-to-hand. Large wheels for high stability.
