

**POWER X-CHANGE**
**CORDLESS LIGHT**

# TP-CL 18/3000 Li Set - Solo

- **Bright light** – The 60 powerful LEDs produce a bright light with a total luminous flux of 3000 lumens, which ensures optimal illumination of the work area.
- **Light colour** – With a colour temperature of 5700 K, the LEDs produce a neutral-white light colour and thus provide very bright lighting conditions.
