Clear Water Pump

GE-SP 4095 N-A LL ECO

Item No.: 4171443

Ident No.: 21014

Bar Code: 4006825679878

The Einhell clear water pump GE-SP 4095 N-A LL ECO is particularly environmentally friendly thanks to ECO-Power. With 400 watts of power, the pump operates at immersion depths of up to 7 m and features shallow suction down to a residual water level of 1 mm. Employing Aquasensor technology, the pump features a patented sensor adjustment which allows it to start pumping at three automatic trigger heights, or it can be used in continuous-operation mode. The pump housing made of impact-resistant plastic with a stainless-steel outer skin, along with the high-quality mechanical seal, ensure durability. The pump features an ergonomic carrying handle, integrated suspension eye, non-return valve and a universal connector.

Features & Benefits

- Aquasensor technology: 3 automatic start heights
- Lifting eyes for attaching the lowering cable
- Continuous mode for uninterrupted suction
- ECO-Power: Higher pumping capacity with lower power consumption
- High-quality mechanical seals for long service life
- Integrated non-return valve prevents water backflow
- Thermal overload protection for safe operation
- Practical carrying handle for easy transport
- Dry-running protection prevents damage to the pump
- Incl. Universal Adapter

Technical Data

- Mains supply	230 V 50 Hz
- Power	400 W
- Max. delivery capacity	9500 L/h
- Max. delivery height	8 m
- Max. immersion depth	7 m
- Max. water temperature	35 °C
- Max. size of foreign particles	1 mm
- Hose connection	47,8mm (G1 1/2 AG)
- Power cord	10 m H05RN-F

Logistic Data

- Product weight	4.9 kg
- Gross weight single packaging	6.5 kg
- Dimensions single packaging	250 x 230 x 360 mm
- Pieces per export carton	2 Pieces
- Gross weight export carton	13.8 kg
- Dimensions Export Carton	480 x 270 x 370 mm
- Container quantity (20"/40"/40"HC)	1188 2376 2842
